FROM THE PRINCIPAL...

P & C

Our wonderful P & C will be holding the AGM at the next meeting on Tuesday 8th March. This is a wonderful opportunity to say a big thank you to outgoing P & C members, and also to welcome new members.

Today, Wednesday 2nd March is P & C Association Day, and to celebrate all that our wonderful members do, we are having an afternoon tea between 2-3pm. This is a great opportunity to catch up with friends, and find out about our P&C.

CANBERRA EXCURSION

The Stage 3 excursion to Canberra is fast approaching, with the departure date on Wednesday 30th March. Information notes have gone out, and final payments are now due. This is a fantastic excursion, and each year the students amaze me at how much they learn, and how much fun they all have. I would also like to thank the Stage 3 teachers for all of their hard work in organising this wonderful trip.

HOT WEATHER

The weather is becoming very warm, and we are noticing a few students who do not have their hats. Please remember to pack your child’s school hat, as we do not have spares to hand out. It is also school policy that students are not allowed out in the sun if they are not wearing their hats, instead they will be kept in the undercover areas. Also remember that children will run around even when it's hot, and need plenty of water as well.

PURPLE DAY

On the 24th March we are holding a Purple Mufti Day to raise money for the Epilepsy Foundation. Please wear something purple and bring along a gold coin donation for this great cause.

P & C NEWS

- Thanks to all the helpers (about 30) who helped run the fundraising BBQ at Bunnings West Gosford on Saturday. We raised just over $1500!! Fantastic!!

- Next P&C meeting and the AGM - Tuesday March 8th from 6.45pm in the school staff room. All welcome. It's a great way to get involved in our school and assist in improving our kids learning environment. New members can join at the meeting - it's only $2. Tea/coffee/biscuits are provided for free.

- Wednesday March 2nd is 'P & C Day'. A day to celebrate our P&C members and their achievements at GEPS!

Thanks

HARMONY CORNER

1 - 31 March - Bandaged Bear Month Bandaged Bear Month is the key fund raising appeal to support a range of research projects, special services and equipment for the Children’s Hospital at Westmead, Sydney NSW.

4 March - Clean Up Australia Day for Schools On this day, schools are encouraged to clean up their school grounds, a nearby park, creek or other local environmental area. Schools should register their Clean Up site either online or by calling 1800 024 890 and submit their Rubbish Report so that the national results can be documented.

6 March - Thirlmere Festival of Steam The Thirlmere Festival of Steam is Australia’s largest rail heritage festival. The Festival is a family day out featuring market stalls, amusement rides for teens, interactive children’s activities, an animal farm, train rides, face painting, roving entertainment, helicopter joy flights and a large display of vintage steam machinery, classic cars and hot rods.

OFFICE NEWS

NEW FINANCE SYSTEM

During Term 1 and 2 both Nicole and myself will be attending an intensive training program for the introduction of a new finance system for schools. This will mean we will have new people in the office covering either one of us for a large portion of these terms. We are in the process of training two new ladies but as they have not worked in schools before they are starting from scratch. I thank you all in advance for your patience and understanding during this transition time.
Recently we successfully held our school swimming carnival at Gosford Pool. Following on from that day, we would like to congratulate all of the students who will be swimming at the Southern Central Coast Zone Carnival on 8th March. A special congratulations goes to the following age champions:

Jnr Girl – Savannah
Jnr Boy – Taine
11 yr Girl – Lucy
11 yr Boy – Kade
Snr Girl – Ebony
Snr Boy – Billy

The ribbons will be ready for presentation Friday 26th at assembly.

A big thank you to Mr Travica and Mrs Boyd who handed out the ribbons, as I was out of the school at AFL Trials.

Mr Travica and I are looking forward to next Tuesday with the District Swimming Carnival. Please let me know if you have any questions regarding transport etc. I wanted to let you know what the first few events are at the carnival so you can plan any arrangements you may have to do. Copies of the Program of Events are available from myself or Mrs Learmonth who is the manager.

GEPS CRICKET

What a game! Sooooo close! Came down to the last over and we fell short by 3 runs. Gosford PS batted first and scored 67. Billy with 0-5 off 5 overs and Finn with 1-4 off 5, Riley with 1-9 off 5, and Lachlan with 1-8 off 5. These boys were the pick of the bowlers.

We then batted nad made 64 runs, just falling short in the last over. Riley with 10, and Finn with 13 were the pick of the batters.

Well done to the boys – most of them don’t play on the weekend! Again, a big thankyou to all the parents who helped out with travel and scoring.

Year 7 2017
Placement in the “eTec” class

Erina High School is committed to providing the best educational outcomes for your children in 2017. Our aim is to cater for the broad range of 21st Century learners through employing a multi-faceted approach to teaching and learning that includes modern technology and its learning applications.

The Year 7 class structure in 2017 will include one class to cater for students motivated to include a focus on technology in their learning.

Our motivated technology class, or “eTec”, is an initiative to close the gap between the classroom and the outside world. It gives students increased access to current information, 21st Century skills and a potential global audience in sharing their work.

Year 6 students have the opportunity to nominate for inclusion in the 2017 eTec class at EHS. Please note, nomination for the eTec class does not mean acceptance into the class. Students that nominate for this class will then be invited to attend a Technology Orientation Day at EHS in Term 2. No preparation for the day is required. It will be a chance to learn about eTec and Google Drive in advance of submitting an application project. Parents are invited to an information evening on the 15th of June, 2016 to learn more about eTec.

After attending the Technology Orientation Day, students will then be invited to submit an application in the form of a project, due on the 19th of September, 2016. The project involves demonstrating creative student use of the cornerstone of eTec - Google Drive and its associated applications. Applications will be considered by a panel of staff and students from Erina High School.

Nomination and placement criteria
- An aptitude and interest in using technology for learning
- High level of self-motivation;
- Positive attitudes to school and learning, including homework;
- Ability to work in a team in learning situations; and
- A commitment to the purchase of a Chromebook in 2017, sourced by the school ($350 in 2016)

All class placements are provisional, dependent on the meeting the nomination criteria. Erina High School reserves the right to change a student’s placement where evidence exists that the needs of all students may better be served by doing so.

To begin the nomination process, please use the following link to complete the online application: goo.gl/QDaLqP

Calling all Operation Art entries, it’s time to get creative!!

Operation Art is an initiative to encourage and showcase the visual arts talents of students ranging from Kindergarten to Year 10. Submitted student artworks are professionally framed and exhibited at the Armory Gallery, Sydney Olympic Park in September. From there 50 artworks are selected and tour the AGNSW and regional galleries before they are donated to and displayed at the Children’s Hospital at Westmead, helping to create a positive healing environment.

Last year two very talented students had their artworks selected for ArtBank awards. Artworks selected for ArtBank awards are either donated to regional hospitals or displayed in Department of Education offices. Over 800 artworks were submitted last year to the NSW competition but only 50 are selected for ArtBank awards. WELL DONE GIRLS!!!!

In 2014 a GEPS student had her artwork selected for a ‘Royal Commission Award’. Her artwork was given to the Royal Commission to be exhibited in their offices for a year and then later assigned to a regional hospital in NSW for exhibition.

This year we have an exciting addition to the GEPS Operation Art competition. Each of the 3 winners of our school competition will receive a free Jimmy Halfpenny Deluxe Art Book valued at $140 compliments of Jimmy Halfpenny. More information regarding this wonderful addition to the competition will be provided in the Operation Art Information Note which will be sent home soon.

Kindergarten through to Year 6, now is the time to start thinking about and planning your artwork. The theme is; Cheerful and uplifting artworks appropriate for display in hospitals.

A note with the details on how to participate will be sent home soon.

Entries close: Wednesday 30th March 2016.

Please don’t hesitate to contact me on 43252178 if you have any further questions.

Kind Regards,

Linden Connell
Kariong, Kincumber and Erina Youth Centres operate programs and activities for young people from year 6 to the age of 18. Activities vary each term and consist of a variety of recreational and educational programs and include sporting activities, art, craft, homework assistance, career guidance, gardening, music, recording, movie nights and cooking programs. The Centres are staffed by qualified youth workers who can provide information, support, advocacy and referral to young people.
